

haynes bmw r850 1100 1150 manual m3466 amazon com - *this is the manual for those who like greasy skinned knuckles in other words home garage mechanics will find it invaluable my only problem with it was that it didn't address the r1150 rtp for police which is what i needed but if you have any civilian bmw don't want to take your bike to the dealer and aren't afraid to do your own maintenance then buy this manual*
