

horror movies movies that scared me when i was young - *luther wright invasion of the body snatchers the night of the hunter i must say and do believe that real movie making is a thing of the past movies made now lack genuine talent of course i may be a little melancholy, the little prince by antoine de saint exup ry* - *moral allegory and spiritual autobiography the little prince is the most translated book in the french language with a timeless charm it tells the story of a little boy who leaves the safety of his own tiny planet to travel the universe learning the vagaries of adult behaviour through a series of extraordinary encounters*
